Mousetrapper Advance 2.0+

MADE FROM RECYCLED PLASTIC

Advance 2.0+ is the premium version of our bestseller, Advance 2.0. It has luxurious wrist support and with no less than 8 programmable buttons you have a range of options to customise your Mousetrapper exactly the way you want it. Advance 2.0+ is also made from recycled plastic.

Benefits of Advance 2.0+

Mousetrapper Advance 2.0+ is the upgraded version of our bestseller Advance 2.0. It has 8 programmable buttons, and the same luxurious wrist support featured on the Mousetrapper Prime. The strain-reducing wrist supports can be wiped clean, and kept clean and fresh using a disinfectant. Advance 2.0+ is also made from recycled plastic!

The 8 progammable buttons give you a range of options to customise your Mousetrapper to your exact requirements. The functions of the buttons can easily be changed via MT Keys.

Advance 2.0+ also has a foldable keyboard pad, allowing you to adjust the height to your keyboard. Our Type keyboard is designed to fit perfectly with all Mousetrapper devices.
